

AISCT offers Door-to-Door Transportation

If desired, we offer door-to-door transportation arranged by the school office. Families at AISCT can take advantage of our three school bus routes in the morning and afternoons. Parents may chose to have their children use the service daily, or on a partial basis. Occasional use is also available.

- ⇒ Payment for transportation must be made in advance at the school office.
- ⇒ Fees for the daily service are R4,104 per term, or R16,416 for the school year.
- ⇒ For more information, or to make arrangements for your child to ride the bus, contact **Brenda Roberts** at **021-713-2220**.

Please fill out and return the form below to aid us in organizing a workable plan. Due to varying demand, our buses may reach capacity. In this event families can request to be placed on our transportation waiting list.
